Intermediate Architect – Northern, Indigenous, and Housing

EVOQ is an award-winning architecture firm recognized for quality interventions and site-sensitive design solutions. As one of Canada's leading architecture firms, EVOQ strives to foster a positive learning environment and a collaborative workshop spirit to encourage employees to develop their skills and share their knowledge with their peers. Culture, history and technology underpin EVOQ's architectural approach. Diversity, respect and work-life balance round out the firm's culture and make EVOQ a rewarding place to work.

Summary

LOCATION: OTTAWA OFFICE

EVOQ is a recognized leader in heritage conservation and architecture in Inuit and First Nations communities. As part of our firm's ongoing development, we are seeking an Intermediate Architect for Project Management and Site Supervision with an interest in working on Northern and Indigenous communities' projects as well as residential, commercial and institutional projects in the Ottawa area. The ideal candidate has a thorough understanding of construction techniques; demonstrates confidence in planning, design and site review; and is distinguished by their experience, leadership qualities and professionalism.

We are searching for creative, motivated and energetic team members to complement our growing team.

West Block, Parliament of Canada, Complete Restoration, Rehabilitation and Addition, Ottawa, ON

Naitauvvik Community Pool, Salluit, Nunavik, Quebec

Union Station, Revitalization Project, Toronto, Ontario

Tabaret Hall, Laurier Wing Portico Rehabilitation, University of Ottawa

Multi-Unit Residential Building, Kativik Regional Government, Nunavik, Quebec

Principal responsibilities

The selected candidate will be responsible for the following:

- Participate in all phases of project development;
- Prepare design and working drawings;
- Identify and solve technical problems;
- Participate in the preparation of programming and feasibility studies;
- Prepare site notes;
- Participate in site meetings and ensure site monitoring and surveillance;
- Coordinate plans and specifications with other project participants;
- Perform other related duties as required.

Your profile

- Masters' degree in architecture;
- 6 to 10 years of work-related experience;
- Proficiency in AutoCAD, Revit, Office Suite, Adobe Suite, Photoshop and InDesign;
- Experience in Assembly, Industrial, or Multi-Unit Residential occupancy
- Proficiency in both official languages (an asset).
- Experience in rehabilitation and conservation projects (an asset);
- Experience working with public institutions (an asset)

About you

- Autonomous and proactive;
- Rigorous, well organized and able to plan;
- Ability to learn quickly and thoroughly;
- Capable of working as part of a team;
- Capable of communicating effectively both orally and in writing.

Working conditions and environment

- Flexible work schedule;
- Employee benefits package (group insurance plan);
- Competitive salary based on experience;
- Company-paid OAA membership dues;
- Stimulating and dynamic work environment;
- Year-round social, cultural and sporting activities
- Envable employee training program focused on the development of the identified skills and competencies.

Submit your application (cover letter, CV and portfolio) via email to the Human Resources department at rh@evoqarchitecture.com.

All applications will be evaluated. Only selected candidates will be contacted.

We thank you for your interest in our firm. Do not hesitate to share this job offer with friends and colleagues interested in new career opportunities.
